

Cobb County Comprehensive P.A.R.K.S. Master Plan Public Input

Cobb County is updating the Comprehensive P.A.R.K.S. Master Plan that was adopted in 2001. The Master Plan will examine all of Cobb County's P.A.R.K.S. facilities and programming, as well as Senior Services, and make recommendations.

The purpose of the public input is to understand the community's desires for facilities and programming offered in Cobb County.
